Dear Members,

Established in 2006, and during 5 short years, our Destroyers Football programs have been built on a foundation of integrity and commitment to the well being of every child. Regardless of ability or experience Dartmouth Minor is dedicated to teaching our young athletes not only the essence of football but more importantly the essence of great character. The underlying purpose of Dartmouth Minor Football is not only to develop premier football players but to contribute to the maturation of these young athletes as they become good citizens in our community.

We operate the best association in the Nova Scotia Minor Football League. Sincere thanks to all the Coaches at our various levels of Mite, Atom, PeeWee and Bantam. Without their countless hours of dedication, our program would not exist. I would also like to commend the work of DMFA Executive for their encouragement, structure and constant support. Thank you to all the parents, fans, friends and families who cheered from the sidelines, regardless of the outcome of the game. You ALL are the Dartmouth Minor Football Association and being your President during the past 2 seasons has truly been an honour and privilege.

President DMFA
